SKILLS

WORK EXPERIENCE

Self Employed - Developer / Designer

February 2008 - Present

Created and managed a web development / design business, working with a range of clients and development environments. I gained proficiency in the following:

- PHP [Wordpress, (L/W)AMP]
- Javascript [node.js, jQuery, Gulp]
- Design and prototyping [Illustrator, Photoshop]
- DOM Presentation [HTML5, CSS, Responsive Design]
- Project Management [Trello, GIT]
- CLI [Windows CMD, bash]

For examples of my work, visit http://www.dgodesigns.com
